Tim Priest Mphotog., Cr.

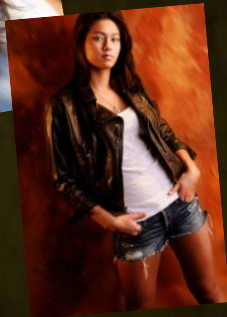

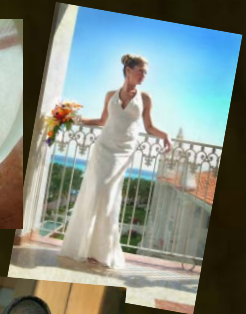

Tim has been shooting professionally for 27 years, the last 15 of that have in the fashion industry, working in Chicago Ill. as well as Grand Rapids Michigan. Tim has photographed many national and International models. In 1988 Tim received his Master of Photography Degree, and his Photographic Craftsman Degree a year later. Tim has also won many national and international awards for his work, such as a special tribute award from the Michigan House of Representatives. The International Study Committee and the World Congress of Professional Photography. As well as having his book " Amazing Women of West Michigan" published, he is also a National and International speaker, as well as an instructor at the original Winona School of Professional Photography

Tim's Programs and Samples

"Shooting Seniors and Weddings with Fashion Flair"

In this program/workshop, Tim will be covering lighting for fashion style, including: Studio, strobe, window, and mixed tungsten and daylight. Tim will also cover location shooting, scouting locations, structure and open air shooting. Other topics discussed: Fashion shooting for seniors, fashion for weddings, hair and makeup, posing, and layering effects in Photoshop to get that final fashion flair. Tim's unique style will both entertain and educate your attendees.

Julie Hughes FSWPP, M. Photog, Cr., FSA, FDPE, PPA Certified

Julie is a explosive international speaker with a variety of programs. Each program is expandable from a 3hr program to a week long school. Julie is a PPA certified Judge, and soon will be a Juror. A PPA approved instructor, Julie is also PPA photographers of the year 4 times running and winner of 3 Kodak Gallery awards, and 3 Fuji Masterpiece awards. Julie is a member of ASP (American Society of Photographers) and in 2009 was awarded the ASP State Elite Award. Julie has also won: CPP State award, National Award, Fellowship of the British Society of Wedding and Portrait Photographers, International Photographer of the year, Florida Photographer of the year 2000 and 2009, Bob Becker Best in Show award twice, and top photographer in Palm Beach Fl for 11 out of 13 years. Julie is a much sought after international photographer and speaker and has achieved world wide recognition for her gifted passion as a talented image maker, instructor, and judge.

Julie's Programs and Samples

"Bumps Babies & Business"

Julie will teach everything you need to know about this exciting market from marketing, telephone techniques, sales room suggestions, posing, lighting, "Baby Whispering", product ideas and after sales service. Allowing you to learn how to keep these new clients for life.

“Shoot Show & Sell”

This fast paced course shows just how Julie earns her income out of photography. Her lighting style, and selling techniques set her apart from the pack, making her studio one of the most successful in the country. She will guide you on a journey that will motivate you to become a better shooter, seller and marketer. The difference between here studio, and many others floundering around the country is great marketing and lighting skills.

Join Julie in an actual photo shoot, and then watch as she prepares the images for stellar slide show and presentation that will put tears in their eyes, and money in your pocket. Come with an open mind and dozens of ideas to set yourself apart now. You can survive and thrive in this tough economy.

Speaker Costs and Sponsorships

Speakers listed in this menu are sponsored by Allied Photographic and Imaging Lab and will be listed in any mailer, newsletter, email, or website as such. Allied sponsored speakers arrangements will be made thru Allied Photographic and Imaging Lab (with exception of Barry Rankin), any other arrangement will not guarantee special sponsorship pricing as stated below. Allied Photographic and Imaging lab will make all arrangements and incur costs associated with travel to and from event site for each speaker. Any association or group requesting an Allied sponsored speaker agrees to contribute the dollar amount associated with the speakers program to Allied Photographic Lab, and also arrange for housing of the speaker at the event. Additional discounts for tradeshow booths for Allied Photographic can be discussed on a per event basis. For any questions contact Toren Prawdzik, Vice President Allied Photographic Lab.
